

**RESOLUTION AMENDING THE POLICY RELATED TO UTILITY
EXTENSIONS AND CONNECTIONS OUTSIDE
THE CORPORATE LIMITS OF THE CITY OF ROXBORO**

WHEREAS, this is the policy concerning extensions of and connection to City utilities of any property outside the corporate limits of the City; and

WHEREAS, it is the policy of the City that any request for connection to existing water service lines outside of the corporate limits shall be granted at the discretion of the City's Public Services Director, based upon existing capacity for provision of service; and

WHEREAS, it is the policy of the City that any request for connection to existing sewer service lines outside of the corporate limits shall be accompanied by a request to also connect to any available water service line, and such requests shall be granted at the discretion of the City's Public Services Director, based upon existing capacity for provision of service; and

WHEREAS, should the Public Services Director determine that any of the aforementioned requests would result in a logical expansion of the City's corporate limits, as a result of proximity to the City's existing corporate limits or the size and scale of the proposed project, the Public Services Director shall defer the decision of connection to the City Council with a recommendation that a voluntary annexation petition be submitted by the property(ies) owner(s); and

WHEREAS, it is the policy of the City that any request to extend existing water service or sewer service lines of the City shall be accompanied by a petition for voluntary annexation, and such requests shall be reviewed by the City Council and a determination made by the Council as to whether the annexation procedure shall be initiated for the project; and

WHEREAS, any request for connections to City utilities, beyond those previously outlined, shall be reviewed by the Public Services Director and City Manager for consideration of the appropriate pathway for consideration, and where such consideration shall be made with the spirit and intent of promoting growth of the City's corporate limits where fiscally and practically responsible; and

WHEREAS, the effective date of this resolution is the 13th day of August, 2024.
